Volltext	Residents of a municipality or town have the right to ask questions and make proposals or suggestions at public meetings of the municipal or town council during residents' question time on items under discussion or other matters relating to the local community. The same applies to the public meetings of the district councils and district committees for matters relating to the district or office. The committees of the above-mentioned bodies can also hold residents' question and answer sessions. The committees regulate the conduct of question time in their respective rules of procedure. As a rule, questions can also be submitted in writing before the meeting.
