Teaser	If you wish to act as an expert or surveyor for long-term storage facilities in accordance with the Landfill Ordinance, you must be designated as such by the competent authority.
Volltext	Operators of long-term storage facilities must meet certain requirements during decommissioning to ensure that the facility does not pose a danger to the general public or the environment. Experts regularly monitor compliance. If you want to carry out the inspection, you must apply to the competent authority to designate you as an expert. The designation applies to the entire federal territory.
