Teaser	If you would like to analyze your small business for innovation potential through digitalization, you can receive funding for advice on digitalization measures under certain conditions.
Volltext	Small and medium-sized enterprises based or operating in Schleswig-Holstein are eligible for funding. The funding of games is subject to cultural criteria (cultural test). A significant proportion of the creative work within the framework of the planned funding project (e.g. concept development, programming, music recordings, design) must take place in Schleswig-Holstein. The planned game must meet the requirements for the protection of minors and receive or have received an age rating from a recognized institution of voluntary self-regulation (USK).
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Extract from the commercial register. • Alternatively: Business registration in connection with a copy of the identity card of the authorized representative(s) • Offer(s) for the consulting service(s) • Data protection information
Voraussetzungen	<ul style="list-style-type: none"> • You must submit offers or proof of market/price research and requirements for the consulting company for the consulting services to be obtained.

Modul
Sachverhalt

- An excerpt from the commercial register is also required. If there is no entry in the commercial register, a business registration must be submitted together with a copy of the identity card of the person(s) authorized to represent the company.
- The consulting company must be licensed for federal go-digital consulting.
- The project will produce a written consultancy report with individual solutions and recommendations for the specific implementation of digitization processes that lead to new or significantly improved methods or processes.
- The calculated consultancy costs amount to a minimum of 2,500 euros and a maximum of 20,000 euros.
- The funded measure should be completed within eight months.
- The project must not have been started yet.
- The company must be based or have a permanent establishment in Schleswig-Holstein.
- Your company must be a small business.

Kosten

Gebühr: Es fallen keine Kosten an

Verfahrensablauf

The application for funding for low-threshold digitization measures in small companies - Module 1 (consulting) can be applied for online.

- This is a one-step procedure in which the application is submitted directly.
- Registration with the state's company account
- Preparation and submission of the application
- If an early start of the measure has been applied for, a written approval for the early start will be issued. The project can then begin.
- Final review of the application by the granting authority
- Issue of a grant notification (in the event of a positive review)
- Receipts and evidence must be submitted for the reimbursement of eligible expenditure.

Bearbeitungsdauer

4 - 8 Woche(n)
 The duration depends on the number of applications received.

Hinweise	<p>The information specified as relevant to the subsidy in the application and in the other documents to be submitted is relevant to the subsidy. A declaration to this effect must be submitted as part of the application. The granting authority must be informed immediately of any changes to facts relevant to the subsidy. In the event of deliberate or reckless misrepresentation, prosecution for subsidy fraud must be expected.</p>
Rechtsbehelf	You can lodge an objection.
Kurztext	<ul style="list-style-type: none"> • Funding for digitization measures for small businesses - Module 1 (consulting) Approval The consulting module provides funding for projects that analyse existing operational procedures and processes for innovation potential through digitalization and develop suitable individual solutions and recommendations for action. Small commercial enterprises with their registered office or permanent establishment in Schleswig-Holstein can submit an application. Companies from the fisheries, aquaculture and agriculture sectors are not eligible to apply. The consulting company must be licensed for federal go-digital consulting. A plausible offer for the consultancy services must be submitted. The project will produce a written consultancy report with individual solutions and recommendations for action for the specific implementation of digitalization processes that lead to new or significantly improved methods or processes. The calculated consultancy costs amount to a minimum of 2,500 euros and a maximum of 20,000 euros. The funded measure should be completed within eight months. Expenses for external consultancy services provided by companies or universities are eligible for funding. The grant amounts to 40% of the eligible costs. • Responsible body: Wirtschaftsförderung und Technologietransfer Schleswig-Holstein GmbH
