economy and to compensate for locational disadvantages in the sense of a balanced and equivalent spatial development in Schleswig-Holstein. Funding is provided in the GRW funding area. A special section is dedicated to the accommodation industry. The market- and target group-oriented development of accommodation establishments is a key component of the "Schleswig-Holstein 2030 Tourism Strategy". Operational investments in conjunction with a well-developed tourism infrastructure will increase demand outside the peak season. The funding is intended to help strengthen tourism as an economic factor and improve the competitive position of the tourism industry.
