## Sachverhalt

and truthfully.

- Upload the required documents as a file and send the application.

Apply for revocation of the permit in writing or for recording at the competent mining authority:

- Contact your competent mining authority and coordinate the required application documents.
- Submit the application and all required documents to your competent mining authority by post or for recording.

Further procedural steps:

- The competent mining authority will check your application and the documents submitted. If any documents are missing, the authority will contact you.
- You will receive a notification by post informing you that your permit has been revoked. In addition, the notification will be sent electronically to the relevant mailbox (bundID or ELSTER company account) in advance and information will be displayed in BergPass.
- The mining authority will announce the revocation in the official publication gazette. Your permit expires to the extent that it is revoked on the date of publication. From this point on, it is no longer possible to withdraw the revocation.

You will also receive a notification of costs. Pay the fees.
