Sachverhalt

- Educational assistance - one person provides support in everyday life.
- Intensive socio-pedagogical individual support, in order to solve personal crises most and problems more and more by yourself.
- Home education - care in an institution outside the parental home.
- Assisted living - the way to an independent life within one's own 4 walls
- Integration assistance for young adults with a (threatening) mental disability.

Young people who have already received help from the Youth Welfare Office before they reached the age of majority and would like to continue to receive this help must apply for help for young adults themselves. Previously, the legal guardians (parents or guardians) were eligible.
