Teaser	As part of the licensing procedure for the commercial arms trade, you must provide evidence of the relevant specialist knowledge. To do this, you take a specialist knowledge test at the Chamber of Industry and Commerce (IHK).
Volltext	<p>The check is usually carried out by order of the authority to which you have applied for the firearms permit and cannot be applied for separately. Depending on the scope of the trading permit you have applied for, the test covers certain categories of weapons.</p> <p>In the theoretical part of the test, you must demonstrate knowledge of the regulations governing the trade in firearms and ammunition, the acquisition and carrying of firearms and the main features of other firearms regulations.</p> <p>In the practical part of the examination, you must demonstrate safe handling of the tested categories of firearms. This includes, among other things, disassembling and assembling, naming essential parts and description of the mode of operation.</p> <p>In order to successfully pass the specialist examination for the trade in weapons and ammunition, you need not only theoretical but also practical knowledge. Extensive preparation is therefore recommended.</p> <p>If you have applied for a permit to trade in</p>
