Volltext	The red dealer license plate (e.g. for vehicle manufacturers and parts manufacturers, dealers, workshops) is intended for test, inspection and transfer journeys of unregistered vehicles. The license plate number, which is not permanently assigned to a vehicle, always begins with "06" after the distinguishing sign of the registration district. The license plates may only be used for your own business. The red license plate may only be used with the special vehicle registration booklet. Requirements: After receipt of the application for issue, it is checked whether the applicant belongs to the authorized group of persons and is personally reliable. For this purpose, the municipal or city administration responsible for this person and the competent police authority will be consulted. Before the license plate is issued, an on-site inspection may also be carried out to determine the actual circumstances.
Erforderliche Unterlagen	• Informal application stating the reasons for the application • Extract from the central trade register • Valid identity card or passport with registration certificate, or (for foreign citizens) foreign identity card and registration certificate from the residents' registration office, • Certificate of good conduct of the company owner or,
