elementary school flexibly in one, two or three school years, depending on their learning and ability.

- For this reason, cross-grade learning groups can be formed, particularly in the entry phase. The school decides on the structure of the entry phase.

For some years now, all elementary school in Schleswig-Holstein have been reliable: the reliable elementary school guarantees all pupils lessons within a reliable time frame. For children in Years 1 and 2, reliable school hours are four hours a day, for children in Years 3 and 4 at least five hours a day.

This includes 15 hours of lessons per week for first and second graders and 19.5 hours for third and fourth graders. In this way, the reliable elementary school enables more education and upbringing and makes it easier for parents to reconcile family and career.

In addition, many elementary school offer childcare or open all-day programs that children can attend before and after school. The childcare services are supported by parents' associations and local authorities and funded by the state.
