| Frist                        | The competent authority must be notified of slaughtering in good time (at least 24 hours in advance). Emergency slaughtering must be considered separately; in any case, the competent authority must be informed immediately.                                                                                                                                                                                                                                                                                                                                                                                               |
