Handlungsgrundlage	§ 3 paragraph 1  § 6 Dangerous Goods Officer Ordinance (GbV)
Teaser	In order to be appointed and work as a dangerous goods officer, you must have a training certificate. The training certificate is issued to you by the Chamber of Industry and Commerce after you have attended a training course and passed an examination.
Volltext	<p>As soon as a company is involved in the transportation of dangerous goods, a dangerous goods safety adviser must be appointed. The dangerous goods safety advisor's training certificate must correspond to the mode of transport on which the company transports dangerous goods.</p> <p>There are training courses and examinations for</p> <ul style="list-style-type: none"> <li>• road transport,</li> <li>• rail transport,</li> <li>• inland waterway transport and</li> <li>• maritime transport</li> </ul> <p>You can take the examination as an initial examination, supplementary examination and repeat examination. For the initial examination, you must provide evidence of at least 22.5 hours of training for the mode of transport tested. If you already have a certificate but would like to extend it to an additional mode of transport, you can take the supplementary examination. For this, you must provide proof of 7.5 hours of training for the additional mode of transport. If you have a training certificate that is about to expire, you can take a renewal test. You must present your</p>

## Modul

## Sachverhalt

training certificate for this.

Please note the following points for the exam:

- The duration of the examination depends on the number of modes of transport tested. It is between 100 (one mode of transport) and 250 minutes (maximum of four modes of transport) for the basic examination and between 50 and a maximum of 125 minutes for the extension examination. The duration of the supplementary examination is between 50 (one mode of transport) and 150 minutes (maximum of three modes of transport).
- The examination is conducted in writing. You can use the relevant regulatory texts for the respective modes of transport and a non-programmable calculator as aids. The use of other electronic aids is not permitted.

You can take the examination at any IHK in Germany, regardless of the training center and your place of residence.

## Erforderliche Unterlagen

For basic, supplementary and repeat examinations:

- Copy of the course confirmation from the training provider, the original must be presented to the IHK on the day of the examination

For supplementary and renewal examinations:

- a copy of the current training certificate for dangerous goods officers, the original must be presented to the IHK on the day of the examination

## Voraussetzungen

Basic examination

- Completed training of at least 22.5 hours with a recognized training provider for the respective mode of transport

Renewal examination

- Training certificate for the respective mode of transport that has not yet expired
