| Teaser                       | The IHK and HWK can answer questions about a company's affiliation to the IHK or HWK.                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Volltext                     | <p>Determining whether your company belongs to the Chamber of Skilled Crafts (HWK) or the Chamber of Industry and Commerce (IHK) is sometimes a complex issue. You can obtain advice on this from the HWK and/or IHK.</p> <p>By law, those tradespeople who do not belong to the HWK belong to the IHK. In practice, however, many companies belong to both chambers because they carry out both non-craft and craft or craft-like activities. These so-called mixed businesses belong to the IHK or HWK with their respective part of the business.</p> |
