Volltext	<p>If you move into a new main residence, you must register in person with the registration office responsible for you at your new place of residence within two weeks of moving in.</p> <p>The electronic residence registration online service is currently being introduced in stages in Baden-Württemberg. You can also register your new main residence online here under certain conditions (see below).</p> <p>Please first check on the official website for residence registration whether the online service is already</p>

Modul

Sachverhalt

available in your municipality:

- Availability of electronic residence registration

The following applies as your main residence:

- If you are married or in a civil partnership: the home you both primarily use. This also applies if you are only living apart temporarily.
- If you are married or in a civil partnership and live apart permanently: Your predominantly used home.
- If you are a minor: the home mainly used by your parents or foster parents. If they live separately, the main residence is the home you mainly live in.
- If you cannot clearly determine the home you mainly use: Your home in which you have the centre of your life.
- If you have several homes in Germany, your main home is the home you primarily use.

Erforderliche Unterlagen

- At least one proof of identity. These are usually: Identity card and / or passport Identity documents of family members: For children who do not have a children's passport, you must present the birth certificate.
- Certificate from the landlord (if you are moving into a rented property)
- Power of attorney if you wish to register on behalf of another person

The competent authority may request the submission of further documents as proof of your details (e.g. marriage certificate, birth certificate).

Tip: You can have the address in your identity documents updated at the same time as registering your place of residence.

For electronic residence registration :

- ID card with online ID function and AusweisApp2
- Certificate from the landlord (if you are moving into a rented property)

Voraussetzungen

- You are moving

	<ul style="list-style-type: none"> You can find the requirements for electronic residence registration here.
Kosten	none
Verfahrensablauf	<p>To register, you usually have to appear in person at the registration office. The registration office will record your new data and provide you with a printout of the data. You confirm the accuracy and completeness of your data by signing the printout. You will then receive written confirmation in the form of an official registration confirmation.</p> <p>For electronic residence registration :</p> <ul style="list-style-type: none"> You call up the online service. You log in to the online service with your user account. You enter all the required data online and submit the form online. You will then receive your electronic registration confirmation.
Bearbeitungsdauer	Online: The processing time is about 5 minutes.
Frist	You must register your new place of residence within 2 weeks of moving into your new home.
weiterführende Informationen	
Hinweise	<p>If you are under the age of 16, your new main residence must be registered by the person whose home you are moving into.</p> <p>If you are over 18 years of age and a carer or guardian has been appointed for you who can determine your residence, then your new main residence must be registered by your carer or guardian.</p> <p>You only have to register newborn babies born in Germany if they move into a different home to that of their parents or mother.</p> <p>Your landlord is obliged to confirm in writing that you have moved into the new home. Present this certificate</p>

Sachverhalt

to the registration office. Confirmation from the landlord is also possible electronically. In this case, you will receive an allocation feature which is used to process the confirmation.

If your municipality is already connected to the electronic residence registration online service, the registration can be carried out both by single persons of legal age and by families. In the case of a joint move from one home to another, an adult person also registers their spouse/partner and/or underage children.
