Teaser	You receive compensation from the Land and the Tierseuchenkasse for measures ordered under animal health law and animal losses.
Volltext	<p>You receive compensation from the Land and the Tierseuchenkasse for measures ordered under animal health law and animal losses.</p> <p>Compensation is based on the provisions of the Animal Health Act.</p> <p>Animal owners can receive compensation payments for privately, professionally or commercially kept animals of the following species:</p> <ul style="list-style-type: none"> <li>• Horses, donkeys, mules, mules</li> <li>• Cattle (including bison, bison and water buffalo)</li> <li>• Pigs</li> <li>• Sheep</li> <li>• Goats</li> <li>• Poultry</li> <li>• Game birds</li> <li>• Bees</li> <li>• Fish</li> </ul> <p>The basis for the amount of compensation is the general value of the animal.            This is the amount of money (excluding VAT) you would have to spend to buy an equivalent animal on the day of the loss.            The basis is, for example, the prices of the breeding animal markets.            The value of the animal does not change if the animal</p>

Modul	Sachverhalt
	<p>is ill, for example because it is suffering from an epidemic.</p> <p>According to the Animal Health Act, different maximum rates per animal apply depending on the species.</p> <p>Losses of fish are compensated if they have to be killed by official order in the event of the occurrence of exotic fish diseases and the other requirements under animal health law are met.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> <li>• Application for compensation</li> <li>• Proof of the disease</li> <li>• Documentation of the animal loss</li> </ul>
Voraussetzungen	<p>As an animal keeper</p> <ul style="list-style-type: none"> <li>• you must have stated the correct number of animals when you notified the Tierseuchenkasse,</li> <li>• you must have paid the contributions to the Tierseuchenkasse on time,</li> <li>• you must have reported the outbreak of the animal disease without delay,</li> <li>• you must not have violated any laws (e.g. bans on feeding certain substances), and</li> <li>• you must not have known at the time of purchase that the animals were infected with disease agents.</li> </ul>
Kosten	none
Verfahrensablauf	<p>You must immediately inform the lower animal health authority (veterinary office) responsible for you if you suspect an epidemic.</p> <p>The official veterinarian will take up the investigation and, if necessary, determine the outbreak of the animal disease.</p> <p>In doing so, they also determine the value of the affected animals. In addition, they order the necessary measures to eradicate the disease.</p> <p>Such measures include, for example, the slaughter or killing of individual animals or the entire herd and the cleaning and disinfection of the stable or the location of the animals.</p> <p>Once you have complied with the animal health</p>

Modul	Sachverhalt
	<p>measures ordered, you can submit your application to the veterinary office.</p> <p>You can also download the application form from the website of the Tierseuchenkasse.</p> <p>The official veterinarian will forward your application together with the results of the investigation to the Tierseuchenkasse.</p> <p>The Tierseuchenkasse determines and pays the compensation.</p>
Bearbeitungsdauer	few weeks
Frist	You must submit the complete application to the competent body no later than 30 days after the animals have been killed. If the entire herd was killed, you must submit the application no later than 30 days after killing the last animal.
