Sachverhalt

education or training created as an electronic income tax deduction feature during the current calendar year because you are not receiving child benefit, you must apply for it at the tax office in your place of residence. The tax office can also tell you whether it is worth registering in your case.

- If you are applying to the tax office for an allowance for the first time for the calendar year 2025 or would like to have an increased allowance taken into account in relation to the calendar year 2024, use the "Application for income tax reduction and for income tax deduction features" (main form and child annex)
- If you are applying for the maximum tax-free amount for 2025 that has already been determined for the 2023 calendar year, use the "Application for income tax reduction and for income tax deduction features" (main form and annex Miscellaneous)
- You can apply for the tax-free allowances for a maximum period of two calendar years.

Bearbeitungsdauer

Frist

Applications for a tax allowance or a higher allowance as an electronic wage tax deduction feature must be submitted by 30 November of the year at the latest.

weiterführende Informationen

Hinweise

You can submit the application for income tax reduction and the income tax deduction features to the tax office electronically in the online portal "My Elster". Registration is required for electronic transmission. The registration process can take up to two weeks.

Rechtsbehelf

If you do not agree with the content and result of an administrative act (decision) issued by an authority, you can usually lodge an objection against it.

The objection procedure is intended to help avoid legal disputes.
