the loss or theft of the document so that it can be stored in the INPOL search system and the Schengen Information System (SIS).

If the issuing passport authority does not accept the loss report, the issuing passport authority will also be informed of the loss.

If you wish to apply for a new passport at the same time, you must do so in person and bring the necessary documents with you.

When you apply, your fingerprints will be taken, one flat print of the left and one of the right index finger.

Please note: If an index finger is missing, the quality of the fingerprint is insufficient or the fingertip is damaged, another fingerprint will be taken instead. Fingerprints are only not taken if this is impossible for medical, permanent reasons.

The passport is produced centrally by the Bundesdruckerei in Berlin.

Depending on the municipality, you will be notified as soon as you can collect your passport. You can also authorise someone in writing to collect your passport. The notification information from the passport authority usually also contains a form for the authorisation to collect the passport. The authorised person must present the power of attorney and their own ID when collecting the passport.

If you report the recovery of your passport, the passport authority will inform the police so that it can be deleted from the INPOL search system and the Schengen Information System (SIS).

## Bearbeitungsdauer

The certificate of loss is usually issued immediately.

## Frist

- Notification of loss: immediately after becoming aware of the loss
- New passport application: as required or as soon as possible if you do not fulfil the identification requirement with an identity card

Hinweise	<p>If you find your passport again, it can only be used once the passport authority has been notified that it has been found.</p> <p>Please note: Germany cannot influence whether and how other countries set up their national police information systems or whether and how often they are updated. Therefore, in individual cases, foreign authorities may not recognise your recovered passport for use abroad or may even confiscate it. To avoid inconvenience, for example when you are on holiday, it is advisable to apply for a new document at your local citizens' office if your passport is lost or stolen.</p>
