- [Extract from the Central Business Register](<https://www.service-bw.de/zufi/leistungen/1006>)
- If your place of residence is abroad, you will need documents from your home country proving that you have the personal reliability to perform the desired service.

When checking your personal reliability, the competent body may, in individual cases, request further documents in addition to those listed which are suitable for making a statement about your personal reliability.

In the case of legal entities (GmbH, Unternehmensgesellschaften, AG, eingetragene Genossenschaften), the application form is to be completed only for the legal entity itself. All personal documents must be submitted for all natural persons authorised to manage the company, e.g. certificate of good conduct, personal papers. For the legal entity, an extract from the Central Trade Register must also be applied for.

In the case of partnerships that are not themselves eligible for a permit (GbR, KG, OHG, PartG, GmbH & Co. KG), each managing partner requires the permit, so that an application form and all personal documents are necessary for each one.

Note: The authority may request further documents, e.g. a tax clearance certificate.
