Sachverhalt

Voraussetzungen

Your higher education qualification must satisfy the following requirements if you wish to have it evaluated:

- Your final certificates must be officially certified.
- You must have acquired your qualification at an institute that is recognised as an institute of higher education as per the decisive criteria of the country of origin.
 - In the case of qualifications acquired as part of a cross-border cooperation or a collaboration between several institutes of higher education (so-called "franchising"), all the institutes involved must be recognised and/or accredited as institutes of higher education as per the law of the country of origin. The quality of the qualification must satisfy the requirements of all the countries involved and be compatible with the regulations governing institutes of higher education in these countries.
 - In the case of qualifications from countries in which course accreditation is prescribed, the course completed must be an accredited one.

Kosten

- for issuing the certificate: EUR 200.00
 - for each additional certificate if you have more than one qualification: EUR 100.00
 - for issuing additional certificates (e.g. in the event of loss) EUR 100.00

Verfahrensablauf

Use the form from the Central Office for Foreign Education (ZAB) to apply for the evaluation. This will be sent to you by e-mail after you have completed and sent a web form online.

As the subsequent procedure may vary depending on your country of origin, please consult the Central Office for Foreign Education website beforehand for more detailed information.

The qualification assessment which you can attach to your application documents can be obtained as a short version and as a long version, once

- the competent authority has received your completed application form
- with all the documents required, and
