Volltext

If you want to fish or go fishing, you must have a valid fishing licence.

The fishing licence is valid if you have paid the fishing tax for the current calendar year. This does not apply to youth fishing licences.

In addition to the fishing licence, you also need the permission of the person who holds the fishing rights for the body of water.

Erforderliche Unterlagen

- Identity card
- Passport photo
- Proof of expertise: Certificate of successful fishing examination

Voraussetzungen

Fishing licence for young people (youth fishing licence)

- You are between 7 and 15 years old,
- You do not have a certificate of competence and
- Your parents or their representative give their consent

With a youth fishing licence, you may only fish under the supervision of a person of legal age who holds a valid fishing licence. The youth fishing licence is valid until the end of the year in which you turn 16.

Fishing licence for life

- You are at least 10 years old and
 - You can provide proof of the required expertise.
- You may only take the fishing examination if you have successfully completed a course recognised by the
