Hinweise	<p>If you wish to operate a mail-order business for over-the-counter medicines, you must register in the mail-order register, as every mail-order supplier of medicines in the European Union is obliged to use the common European mail-order logo on its website. It shows consumers that a mail order company is authorised to sell medicinal products for human use by mail order over the Internet in accordance with its respective national law. At first glance, the consumer can recognise the Member State in which the mail order company is established.</p> <p>The logo must be clearly visible on the website. The click leads to the mail order register.</p> <p>To obtain the mail order logo for your business, please contact the regional council where you have registered your activity.</p>
