| | parts of plants or animals and for dead specimens |
| Voraussetzungen | <p>The specific requirements for the permit depend on the degree of protection of the species you wish to import or export and the type of application.</p> <ul style="list-style-type: none"> • positive opinion of the scientific authority (not required for re-export certificate application) • When applying for an import permit, a copy of the export document of the exporting state |
| Kosten | <ul style="list-style-type: none"> • Approval: EUR 15.00 to EUR 60.00 • Note: In special cases, a fee waiver may be granted. |
| Verfahrensablauf | <p>You can apply for a permit to import, export or re-export in writing or electronically.</p> <p>If you apply for the permit in writing:</p> <p>Download the application form and the follow-up form</p> <ul style="list-style-type: none"> • Complete it and send it to the Federal Agency for Nature Conservation together with the supporting documents required for the type of application. • If all requirements for the permit are met, it will be sent to you by post. • If your application has been rejected, you will receive a notice of rejection by post, for which a charge will be made. <p>If you apply for the permit electronically:</p> <ul style="list-style-type: none"> • go to [www.cites-online.de](https://www.cites-online.de/cites/content.do) and follow the instructions • there you will also find various additional services, e.g. <ul style="list-style-type: none"> • the sending of supporting documents together with the electronic application, • the choice of payment method, and • local storage of the submitted application on your PC for later processing or use as a template for new applications. |

Modul
Sachverhalt

- If all requirements for approval are met, the approval will be sent to you by post.

- If your application is rejected, you will receive a fee-based rejection notice by post.

Bearbeitungsdauer

Approval: maximum 1 month
 Note: The processing time may be extended if additional information from authorities of the country of origin or export or technical opinions from experts are required.

Frist

- Use of permits for import, export or re-export: no later than the last day of validity of the documents
- Appeal against a refusal decision within one month of notification

weiterführende Informationen
Hinweise

none

Rechtsbehelf

If your application has been rejected, you can lodge an appeal within one month of being notified of the rejection decision. If the appeal is well-founded, it will be upheld and the permit will be granted. Otherwise, an objection decision will be issued which upholds the rejection of the application. An appeal against this decision can be filed with the competent administrative court.
