Handlungsgrundlage	[Landesbauordnung für Baden-Württemberg (LBO):](https://www.landesrecht-bw.de/perma?j=BauO_BW_Inhaltsverzeichnis) • § 16a Bauarten • § 20 Nachweis der Verwendbarkeit von Bauprodukten im Einzelfall [Landesgebührengesetz (LGebG)](https://www.landesrecht-bw.de/perma?j=GebG_BW) [Verordnung des Ministeriums für Landesentwicklung und Wohnen über die Festsetzung der Gebührensätze für öffentliche Leistungen der staatlichen Behörden in seinem Geschäftsbereich](https://www.landesrecht-bw.de/bsbw/document/jlr-MLWGebVBWrahmen/part/X)
Teaser	Do you want to use a construction product or apply a type of construction for a building project in Baden-Württemberg and do not have a valid certificate of usability or applicability? Apply online here for approval in individual cases (ZiE) or a project-related type approval (vBg).
Volltext	Do you want to use a construction product or apply a type of construction for a building project in Baden-Württemberg and do not have a valid certificate of usability or applicability? Apply online here for approval in individual cases (ZiE) or a project-related type approval (vBg). Construction products or types of construction may only be used, i.e. installed in a building, if it has been proven under building law that they fulfil basic

Modul

Sachverhalt

requirements.

These requirements relate to

- mechanical strength and stability
- Fire protection
- Hygiene, health and environmental protection
- Safety and accessibility during use
- Sound insulation
- Thermal insulation

The following apply as building regulations for construction products

1. the Technical Building Regulations (Administrative Regulation on Technical Building Regulations (VwV TB),
2. a general building authority approval,
3. a general building authority test certificate,
4. the possible assignment of the construction product to Chapter D of the VwV TB,
5. generally recognised rules of technology,
6. a CE marking if the declared performance fulfils the requirements of the construction project or
7. a European Technical Assessment (ETA).

If the construction product cannot be assigned to any of the verifications 4 to 7 or if it deviates significantly from verifications 1 to 3, you need individual approval for the construction product.

The following apply as proofs under building law for a type of construction

1. the Technical Building Regulations (VwV TB),
2. a general type approval,
3. a general building authority test certificate or
4. a European Organisation for Technical Assessment (EOTA) Technical Report.

Modul	Sachverhalt
	If the type of construction cannot be assigned to Verification 4 or if it deviates significantly from Verifications 1 to 3, a project-related type approval is required for its application.
Erforderliche Unterlagen	• if available: Authorisations, test reports, expert opinions, plans • declaration of assumption of costs if applicable, should you as the applicant not bear the fees for the procedure
Voraussetzungen	You can submit an application if you 1. wish to apply for individual approval for a construction product and/or a project-related type approval for a type of construction and 2. the construction product and/or the type of construction is to be used in a construction project in accordance with the state building regulations for Baden-Württemberg and 3. You are involved in this construction project.
Kosten	The costs depend on the effort required for processing and the economic and other significance of the subject of the application. Costs of EUR 150 - 7500 may be incurred. The application is free of charge for: • The state of Baden-Württemberg, the Federal Republic of Germany • Municipalities, districts, municipal associations, special-purpose associations in Baden-Württemberg • Churches • Non-statutory welfare organisations, foundations
Verfahrensablauf	1. Complete the online application and upload all the required documents. 2. Check your details on the last page of the "Summary" online form and submit your application. 3. After your application has been reviewed, you will receive a notification or a request to submit additional documents or information.
Bearbeitungsdauer	The State Office for Building Technology processes applications in the order in which they are received.
