assessment period

- submit the declaration of remuneration without being asked to do so
- by 31 January or 31 March of the following year
- to the lower water authority responsible for you
- with all the information required to determine the charge, in particular details of the volume of water withdrawn
- submitting the required documents.

You will receive an annual notification of the fee assessment (assessment notice).

If the application is incomplete, the lower water authority can also determine the fee by means of an estimate. In the event of late submission, it may levy a late surcharge.

The lower water authority determines in a basic decision whether the requirements for a reduction for the use of water from surface waters or groundwater in accordance with Sections 105 and 106 of the Baden-Württemberg Water Act are met. This decision contains

- the amount of the eligible share of the expenses and
- the settlement period.

Bearbeitungsdauer

They are usually determined by the end of May at the latest.

Frist

- by 31 January of the following year
- if you apply for a discount: by 31 March of the following year
