## Modul

## Sachverhalt

- curriculum vitae in tabular form
- Cover letter explaining your personal reasons for applying
- if available: Proof of the result of the TMS test (test for medical degree programmes), which shows what percentage of the comparison group achieved a lower test result than the applicant (percentage rank)
- if available: Proof of vocational training
- if available: Proof of professional activity
- if available: Proof of voluntary service (e.g. civilian service or voluntary social year in a care facility with patient contact)
- if available: Proof of voluntary work with patient contact (e.g. in a hospital or nursing home)

For certificates that are not in German, please enclose an official German translation with your application.

In the case of foreign educational qualifications or a university entrance qualification not obtained under German law, you must provide suitable proof of equivalence.

## Voraussetzungen

- University entrance qualification
- You undertake to work as a family doctor in an area underserved by family doctors for ten years after completing your studies and specialist training.

This obligation is secured by a public law contract in which you undertake to pay a contractual penalty of up to EUR 250,000. The contractual penalty is due if a selected applicant

- does not complete further training in Baden-Württemberg to become a specialist in general medicine, paediatrics and adolescent medicine or internal medicine (without specialisation) after successfully completing their medical studies, or
- after successfully completing further training, has not worked exclusively in Baden-Württemberg's areas in need of general practitioner care for at least ten years.

The areas for which such a need exists will be decided after completion of specialist training.
