Handlungsgrundlage	Verordnung zum Schutz vor Gefahrstoffen (Gefahrstoffverordnung – GefStoffV): • 15c Besondere Anforderungen an die Verwendung bestimmter Biozid-Produkte Anhang I (zu § 8 Absatz 8, § 11a Absatz 1 bis 6, § 12 Absatz 1 und 4, §15b Absatz 3, §15c Absatz 2 und 3, § 15d Absatz 1,3,4,6 und 7, § 15f Absatz 2, § 15g Absatz 2) Besondere Vorschriften für bestimmte Gefahrstoffe und Tätigkeiten: • Nummer 4.2.1 Unternehmensbezogene Anzeige • Nummer 4.4 Sachkunde
Teaser	If you wish to use certain biocidal products in your company in accordance with Section 15c of the Hazardous Substances Ordinance (GefStoffV), you must notify the competent authority of their use.
Volltext	If you wish to use certain biocidal products in your company in accordance with Section 15c of the Hazardous Substances Ordinance (GefStoffV), you must notify the competent authority of their use. There are special requirements for the use of certain biocidal products. If biocidal products are to be used that are classified as 1. acutely toxic category 1, 2 or 3, 2. carcinogenic, germ cell mutagenic or toxic for reproduction category 1A or 1B or 3. specifically target organ toxic category 1 SE or RE or 4. for which, in addition to the cases mentioned, the user category "trained professional user" has been defined in the authorisation for the intended use,

Modul	Sachverhalt
	the employer must notify the competent authority of their first use and the start of renewed use after an interruption of more than one year.
Erforderliche Unterlagen	The following information is required for the notification: • Name of the applicant and address of the business premises, • Information on the personnel, premises and safety equipment of the company, • Information on the type and intended use of the biocidal products or biocidal active substances.
Voraussetzungen	The biocidal products mentioned may only be used by persons who have the relevant expertise for the biocidal product in question within the meaning of Annex I Number 4.4 of the Hazardous Substances Ordinance. The requirements for expertise depend on the type of product, the applications for which the biocidal product is authorised and the hazard potential for humans and the environment. By way of derogation from this, instruction relating to the respective use is sufficient instead of expertise, provided that the use is carried out under the direct and constant supervision of a person who is competent for the respective use.
Kosten	none
Verfahrensablauf	After you have made the notification, the competent authority will check the notification and, if necessary, request additional documents. The report is usually not confirmed.
Bearbeitungsdauer	None, because advert.
Frist	The display • the first use and • the start of renewed use after an interruption of more than one year must be made at least six weeks before the start of use.
