Teaser	In the online shop of the State Office for Geoinformation and Rural Development, also known as the LGL shop, you can order official surveying products directly.
Volltext	In the online shop of the State Office for Geoinformation and Rural Development, also known as the LGL shop, you can order official surveying products directly. The products on offer are divided into • analogue products (such as maps, printed material or aerial photographs) • digital products (basic geodata such as geodata, DVDs or web services) • Services With the exception of maps, DVDs, printed matter and ready-made digital maps and coordinate files, these are compiled individually from the geodatabases of the State Office for Geoinformation and Rural Development in accordance with your requirements. Real estate cadastre data can also be made available for download. In general, data can also be sent by CD-ROM, DVD or e-mail. To order geodata, with the exception of maps, DVDs or
