Handlungsgrundlage	Sozialgesetzbuch Sechstes Buch (SGB VI): • § 109 Renteninformation und Rentenauskunft
Teaser	You can enquire about the status of your insurance account at Deutsche Rentenversicherung at any time.
Volltext	You can enquire about the status of your insurance account at Deutsche Rentenversicherung at any time. You will receive pension information about • the most important personal data on your statutory pension and • Your current pension entitlements. The outlook for your future pension (extrapolation) reveals possible gaps in your pension provision. This provides you with reliable planning data so that you can make additional private or company pension provision. The first pension information also contains your insurance history. This is a list of all the data stored in your account. This information is important in order to be able to correct any gaps in your pension account by providing appropriate evidence.
Erforderliche Unterlagen	Have your insurance number to hand. This applies to all ways of contacting the relevant office, whether in writing, by telephone or online. This will enable your claim handler to process your insurance matter more quickly.
Voraussetzungen	none You will receive annual pension information without having to apply for it yourself: • if you are 27 years or older, • if you have paid contributions into the statutory pension insurance scheme for at least five years.
Kosten	none
