## Sachverhalt

allowä(e.g. by means of an obvious notification to this effect).

The exemption may only be used if the severely disabled person himself/herself is responsible for the use of the vehicle.äor is being driven and the vehicle is parked.

The exemption permit, in conjunction with a blue, EU-standard parking permit, entitles the holder to

- to park in parking spacesämarked with the additional sign "wheelchair user symbol" (so-called disabled parking spaces).äparking spaces).

ThereforeüIn addition, these exemptions and exemptions issued in conjunction withissued in conjunction with an orange or yellow parking permit,

- to park in the restrictedärestricted parking bans (signs 286 and 290.1) for up to three hours,
- in a no-parking zone (signs 290.1/290.2) for the permitted parking time. üexceed the permitted parking time,
- in places with signs 314 and 315 and additional signs limiting the parking time, to üexceed them,
- in pedestrianßgä(sign 242.1/242.2), in which loading and unloading is permitted.üloading and unloading is permitted at certain times.äparking during loading times,
- at parking meters and parking ticket machines without chargeüand time limits,
- in parking lotsäsäspaces forüfor residents for up to three hours,
- in traffic-calmed areas (signs 325.1/325.2) exceptßoutside designated areasäareas without obstructing traffic,

provided there is no other parking space within a reasonable distance.öother parking possibility exists. The parking concessions düAll motor vehicles are eligible for parking concessions.

The hömaximumäparking time isä24 hours.

## Modul

## Sachverhalt

The parking permit must be clearly visible and legible on the vehicle when the exemption is used, and the original exemption permit must be carried along. and handed over to authorized persons for inspection on request. authorized persons upon request.

Exemption permits with blue, EU-standard parking permits are valid throughout Europe, those with orange parking permits are valid nationwide and those with yellow parking permits are valid in Mecklenburg-Western Pomerania, Schleswig-Holstein and Rhineland-Palatinate. validity.

Severely disabled people with exceptional with severe walking disabilities, bilateral amelia or phocomelia or with comparable functional impairments. abilities and blind people can people can use personalized disabled parking spaces. parking spaces e.g. in front of the apartment or in the neighborhood. near the workplace if such a special parking right is required, parking spaces can be set up in front of the home or near the workplace. However, this is not the case if there is no shortage of parking space or if the severely disabled person has a garage or parking space within a reasonable distance outside the home. outside the public traffic area or if a stopping ban (sign 283 StVO) has been ordered or a temporary parking permit has been issued. special parking right has been applies.

Further information information can be obtained from the road traffic authorities authorities.

## Erforderliche Unterlagen
