can submit the application in writing using a form or informally to the competent authority. The application form can be obtained from the responsible authority or, depending on the service, can be downloaded from the Internet. It is also possible to use an online service. The procedure does not change:

- You submit an application in writing using the form or informally to the competent authority.
- Describe as precisely as possible the species, the location, the extent and the duration of the planned special use. Furthermore, please state the effects on the affected area.
- The responsible body checks the effects of the special use on the otherwise customary use and the requirements for a permit.
- After the examination, you will receive a notice of approval or a notice of refusal.
- The competent authority will limit the duration of the permit and/or issue it on a revocable basis.
- The competent authority can attach conditions and requirements to the permit, compliance with which can be monitored and violations can be punished.
