Teaser	
Volltext	Adult education, participating in continuing education, catching up on school-leaving qualifications, acquiring additional qualifications and their certification are essential elements of lifelong learning. Adult education centers play a crucial role in the process of lifelong learning. Through their wide range of courses, they appeal to a large number of people in the various subject areas. This enables more of the state's citizens to realize lifelong learning. In Mecklenburg-Western Pomerania, obtaining the Berufsreife and the Mittlere Reife via the second educational pathway is free of charge. Participants can catch up on their school-leaving qualifications free of charge in courses at adult education centers. Attendance at basic education courses, i.e. literacy courses, is also free of charge. In addition to the aspect of professional qualification, continuing education is also of great importance in the non-professional area. It serves personal development, opens horizons for new subject areas and promotes
