Teaser	The requested property market report provides an overview of market developments in the area of responsibility of the expert committee. It provides information on turnover and price developments on the property market and contains other data required for the valuation.
Volltext	You can apply for a property market report. A property market report provides an overview of market developments in the area of responsibility of an expert committee. The property market report is the result of the evaluation of all contractual transactions relating to real estate by the expert committees for property values. In the property market report, you can find the turnover figures for the year under review, the turnover development, the price level and the price development by property type. The property market report also contains other data required for the valuation, such as land price index series, property interest rates and asset value factors.
