Verfahrensablauf	The independent and large cities, the administrative districts and the municipalities with no administrative district determine upcoming anniversaries in good time (in the case of old-age anniversaries on the basis of the civil register; in the case of marriage anniversaries on the basis of the information on civil status based on civil status confirmations). They check whether the requirements for an honor have been met. The independent and large cities, the boroughs and the municipalities then apply to the State Office for Internal Administration for the honoring of a marriage and old age anniversary. The congratulatory certificates and, if applicable, the monetary gifts are regularly presented to the jubilarians in their homes on the day of honor by the district administrator or the mayor or by their representatives in person. Congratulatory certificates and monetary gifts are forwarded to the district administrators and lord mayors.
Bearbeitungsdauer	Approximately 4 to 8 weeks depending on the processing time of each job.
Frist	Applications must be submitted to the Mecklenburg-Vorpommern State Office for Internal Administration (LAIv) no later than six weeks before the anniversary date.
