establishment prior to the acquisition.

****Who is eligible?****

Companies in the commercial sector that carry out eligible investment projects in Mecklenburg-Vorpommern are eligible to apply. In particular, projects with business objects according to the classification of economic sectors (WZ 2008) as listed in the positive list of the GRW coordination framework are eligible for funding. Restrictions on funding may result from the applicable funding practice.

****How is funding provided?****

Funding is generally granted as a non-cash grant. Since January 1, 2022, the following funding rates apply to investment projects, sorted by company size and district:

For projects in the districts of Rostock, Northwestmecklenburg, Ludwigslust-Parchim, Mecklenburgische Seenplatte, Vorpommern-Rügen:

- ****Small companies****
 - Basic funding rate: 25%
 - Maximum funding rate: 35
- ****Medium-sized companies****
 - Basic funding rate: 15%
 - Maximum funding rate: 25%
- ****Large companies****
 - Basic funding rate: -
 - Maximum funding rate: 15%

For projects in the Vorpommern-Greifswald districts:

- Projects that are particularly innovative and associated with high R&D potential,
- Efforts by the company to reconcile work and private life or
- the company's efforts in environmental management.

Investment projects by large companies are funded on a case-by-case basis if there are particular structural effects. The Ministry of Economic Affairs, Infrastructure, Tourism and Labor may decide on a case-by-case basis; the amount of funding is also decided after weighing up the circumstances of the individual case.

Voraussetzungen

The funding program can support investment projects in the commercial sector (including tourism) that create or secure permanent jobs or training places in Mecklenburg-Vorpommern.

Companies in the commercial sector which carry out eligible investment projects in Mecklenburg-Vorpommern and which have significant regional economic effects are eligible to apply. This is particularly the case if the existing permanent jobs at the business site to be funded are increased by at least 10 percent or the investment amount in relation to one year at the time of application exceeds the average depreciation earned over the last three years by at least 50 percent.

Verfahrensablauf	<p>The LFI is responsible for the proper processing of the GRW funding program. Each individual funding application is processed according to standardized guidelines. In some cases, the LFI has set up its own processes for processing funding applications.</p> <p>The LFI checks the documents required to process the application for completeness, eligibility for funding, eligibility for funding in accordance with applicable regulations and specifications (aspects of subsidy and state aid law, guidelines, funding practice, LHO, administrative regulations), compliance with deadlines and eligibility to apply.</p> <p>For the preparation of the grant notification, an overall review and evaluation of all available documents is carried out, taking into account the applicable legal bases (LHO, state aid law, guidelines, funding practice, etc.). In addition to the grant notification, a note of approval and the annexes to the grant notification, including any accompanying ministerial letters, are prepared.</p>
Bearbeitungsdauer	Once all documents have been submitted, a grant notification will be issued within four weeks.
Frist	In accordance with funding practice, a deadline of one year after receipt of the application has been set for completing the application. The applicant can apply for an extension of the deadline, which will be decided on a case-by-case basis. If the application documents are not completed within the one-year period, the rejection of the application will be announced.
