Sachverhalt

The following applies to employers:

You must pay the compensation to your employees.
You can have the amounts paid reimbursed by the state administration office.

Contributions to pension, nursing care and health insurance can also be reimbursed to you.

You can also apply for an advance from the State Administration Office.

The following applies to self-employed persons:

You will receive the reimbursement directly from the State Administration Office.

Your last annual profit is taken into account for the calculation. This is divided by 12.

Contributions to pension, nursing care and health insurance can be reimbursed.

You will receive the compensation monthly in arrears on the 1st of the month. For example, you would receive compensation for March on April 1.

You may also apply for an advance.

For home-based workers/ homeworkers:

Unlike self-employed workers, your average monthly income is used in the calculation.

On the website of the State Office for Health and Social Affairs M-V you can find all relevant information on the subject of compensation under the Infection Protection Act (IfSG). In addition, an online portal from a cooperation of 10 federal states is available for information and application of compensation benefits according to the IfSG is available.
