Teaser	Anyone can inspect the project and development plan.
Volltext	The project and development plan becomes part of the project-related development plan (Section 12 (3) sentence 1 of the German Federal Building Code (BauGB)). The plan specifies the details of the project and the associated development measures, which the developer undertakes to implement in the implementation agreement. The relevant documents (project and development plan, project-related development plan, justification of the development plan and summary statement on the way in which the environmental concerns and the results of the public and official involvement have been taken into account in the development plan and on the reasons for which the plan was selected after consideration of the other planning options that have been examined) may be inspected by anyone.
Erforderliche Unterlagen	Indication of the number or name of the project-related development plan concerned.
Voraussetzungen	The project-related development plan must have been published in the version which it has finally received.
Kosten	Inspection is free of charge (however, costs may be charged if, for example, photocopies of the documents are requested).
Verfahrensablauf	After the announcement of the project-related development plan, the citizen may contact the office specified in the announcement in order to inspect the plan and the other documents to be kept available.

Modul	Sachverhalt
Bearbeitungsdauer	The project-related development plan and the other documents to be kept must be available at hand at all times or must be obtained within a reasonable time. However, inspection may in principle be limited to the hours of service of the authority or, if there are deviations, to the hours of visit.
Frist	The documents must be kept permanently, i.e. during its entire period of validity, but also after its cancellation.
