Teaser	You have already studied medicine abroad for a few semesters and would now like to change universities? Find out more here.
Volltext	If you have already started studying medicine abroad and now wish to continue at a German university, you can have the periods of study and academic achievements credited. If you have started a related study program in Germany or abroad, you can also have this credited. In this case, it will be checked in advance whether your studies are comparable to medical studies. You can only have a complete performance record recognized. Partial credits will not be recognized. If you have studied medicine in Germany, this does not have to be credited.
Erforderliche Unterlagen	Study at home: • Application • Proof of university entrance qualification / Abitur
