Voraussetzungen

- You have a recognized and valid passport or passport substitute and - if required for entry - an appropriate visa.

- The authority responsible for recognizing your professional qualification in Germany has issued a decision stating that you lack the practical or theoretical knowledge or skills required to achieve full equivalence and that adaptation and compensation measures or further qualifications are required to establish the equivalence of your foreign professional qualification with a German professional qualification.

If you work in an occupation that is subject by law or administrative regulations to the possession of certain professional qualifications (e.g. doctors, nurses, lawyers, teachers, educators or engineers, so-called regulated professions), it must be clear from the notification that adaptation or compensation measures are required for the granting of the professional license.
