Teaser	Insured persons can ask their health insurer what prevention options are available. The health insurers arrange quality-assured offers.
Volltext	You can avoid or minimize the risk of becoming ill through your behavior. The statutory health insurers offer services to help you do this. For example • in nutrition • in questions of alcohol or tobacco consumption • exercise • mental well-being • in questions of aging • in general lifestyle issues The health insurance funds also take into account the promotion of occupational health protection.
Erforderliche Unterlagen	
Voraussetzungen	The health insurance fund may provide a behavioral prevention service if it is certified, i.e. quality-assured, by a health insurance fund or by a third party commissioned to perform this task on its behalf.
Kosten	Fees may apply. Please contact the responsible office.
Verfahrensablauf	Some health insurance companies offer their own prevention courses. However, you can also choose a course with a quality-assured external provider. Ask your health insurance company about the procedure.
