Teaser	If you are looking for a job or self-employment that matches your qualifications directly after your research work, you will be granted a residence permit for a maximum of 9 months.
Volltext	As a researcher, you have a legal entitlement to a residence permit to look for a job. The residence permit will be issued for a maximum of 9 months directly following your previous research activity. This enables you to find a job that is appropriate to your qualifications. The aim of the search can also be self-employment. This residence permit allows you to work without restriction.
Erforderliche Unterlagen	• Valid national passport • Proof of secure means of subsistence (e.g. employment contract and payslips, bank statements, declaration of commitment by a third party) • Proof of health insurance • Proof of qualification (degree certificate, diploma or certificate from your university confirming successful completion of a course of study) • 1 current biometric photo • Please contact your local immigration office to find out whether you need to submit any further documents.
