Teaser	How the result of a European election is determined, you can find out here.
Volltext	<p>When the election is over, the election committee determines how many votes the respective list election proposal has received. Subsequently, the district or city election committee shall determine how many votes within the district or city the respective list election proposals have received. These election committees may also verify the findings of the election committees. As the next instance, the state election committee determines the votes for the election proposals on a state-by-state basis. It may make arithmetical corrections to the results of the election committees</p>
