Teaser	Agricultural organizations may be recognized upon application.
Volltext	<p>An agricultural organization shall be recognized upon its application if it</p> <p>1. the general requirements for recognition set out in section 3 and</p> <p>2. the special recognition requirements applicable to the applicant agricultural organization under Union law, the Agricultural Market Structure Act and this Ordinance for specific agricultural organizations or specific product areas.</p> <p>Separate recognition is required for each product area in which an agricultural organization is active.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • informal application • the applicable articles of association of the agricultural organization as well as the contracts concluded within the scope of Section 10a of the Agricultural Market Structure Ordinance, • a list of the first names and surnames, and in the case of legal entities the names, of all members of the agricultural organization existing at the time of the application, including their respective addresses, • evidence for each member referred to in paragraph 2 that it meets the membership requirements of the agricultural organization law, and • proof of compliance with the requirement of § 3 No. 1. If an association of persons not capable of being entered in an official register submits an application

Modul

Sachverhalt

for recognition, it shall, notwithstanding sentence 2 number 4, enclose a certified copy of the agreement on its formation. At the request of the competent body, the agricultural organization shall provide further information and submit evidence insofar as the documents submitted on the basis of sentences 2 and 3 are not sufficient for the examination of the prerequisites for recognition and insofar as this is necessary for the examination of recognition.

Voraussetzungen

An agricultural organization must

1. be a legal entity under private or public law or an association of persons under private law,
2. be able to trace its foundation back to an initiative of its members,
3. have its headquarters in a country in which it
 - a) has members, and
 - b. carries out an activity that is not merely insignificant in comparison with its overall activity, unless it is a trade association
4. have written articles of association which include
 - name
 - head office and
 - the fulfillment of the requirements for recognition,
 - b) contain regulations
 - on the exercise of democratic control by the members over the agricultural organization as a whole and the decisions of the agricultural organization,
 - on membership fees,
 - on the proper performance of duties
 - on the admission of new members and the termination of membership,
 - on sanctions in the event of violations of membership obligations
 - on the establishment of branches.
