Teaser	If you wish to collect or transport waste or trade in waste, you must report the activity to the competent authority.
Volltext	As a collector, transporter, trader and broker of waste, you must report this activity to the competent authority. If you carry out this activity with hazardous waste and are exempt from the permit requirement, you must enclose additional documents with your notification (if applicable, for example for craft businesses). If you have already reported your activity and your details have changed significantly, you must submit the notification again. The obligation to notify applies to both national and cross-border waste shipments.
Erforderliche Unterlagen	• Your business number(s) under waste legislation as a collector, carrier, broker or dealer of waste (if already issued to you) • the process number of your first notification (only if you wish to create a change notification) • your business registration (if you are required to register a business) • an extract from the commercial, association or cooperative register (if an application has been made) • If you are exempt from the permit requirement for handling hazardous waste: Your waste management company certificate or your registration certificate as a certified EMAS company (if your company has a corresponding certification; in the form of a PDF file)
