legal provisions. A nomination may be amended until the deadline for submission (4 p.m. on the 75th day before the election).

After the end of the 73rd day before the election, only defects in valid election proposals can be rectified. An election proposal is only valid if it

1. bears the signatures required under Section 16 (7) LKWG M-V and
2. clearly identifies the candidate nominee and the person of the nominated candidates and
3. contains a copy of the minutes pursuant to section 16 paragraph 5 LKWG M-V and the consent pursuant to section 16 paragraph 3 LKWG M-V as well as the affidavits required pursuant to section 16 paragraph 4 LKWG M-V.

An election proposal may be withdrawn as long as no decision has been made on its approval. After the decision on the approval of an election proposal, any amendment is excluded. Any amendment or withdrawal requires concurring declarations by the representatives.

These declarations must be submitted in writing to the competent electoral administration (municipal or district electoral administration) and cannot be revoked.

Erforderliche Unterlagen

Any amendment or withdrawal requires concurring declarations by the representatives. If no second representative has been designated in the case of individual applications, only the declaration of the individual applicant is required.
