Teaser	With the partial building permit, you can start construction work to change building sections before the building permit is issued. To do this, you submit an application for partial building permit to the responsible lower building supervisory authority.
Volltext	If you have applied for a building permit and would like to change individual construction sections even before the building permit has been issued, you will need a partial building permit for this construction work. To do this, you submit an application for a partial building permit to the responsible lower building supervisory authority. In the application, you specify which individual components or building sections you want to change

	before the building permit is issued. The partial building permit for the modification of a facility is subject to a fee.
Erforderliche Unterlagen	• Application (via online service or in text form). If not yet submitted with the building application • Extract from the official real estate map • Site plan • Construction drawings • Building description Please contact your local building supervisory authority to find out which documents you need to submit for your specific building project.
Voraussetzungen	You will receive a partial building permit: • if the underlying building application is complete with regard to the modification measures applied for partial building approval, • the described modification project is in compliance with the public-law regulations to be examined in the building inspection procedure.
Kosten	• Fee range: EUR 60.00 to EUR 1,680 • The fee for the individual partial building permit, insofar as it exceeds EUR 180.00, can be credited against the fee for the building permit, taking into account a lower level of review effort in the building permit procedure. • The cost calculation takes into account the expected costs of the construction work and the effort required for checking the parts of the building application relevant for the partial building permit.
Verfahrensablauf	You apply for a partial building permit for the modification of a facility in the online procedure or in text form.

Modul	Sachverhalt
	Make the application and state in it to which building application your application for a partial building permit relates and which construction measures it covers. Attach the required construction documents. Submit the application documents to the relevant lower building supervisory authority. The lower building supervisory authority will review your application and involve the municipality and those bodies whose participation or hearing is required for the decision on the partial building permit or without whose opinion the approvability of the application cannot be assessed. You will then receive the decision on your application. The partial building permit is subject to a fee. You will receive a fee notice. If necessary, the lower building supervisory authority will ask you to make an advance fee payment after you have submitted your application.
Bearbeitungsdauer	
Frist	• In the regular partial construction permit procedure, there is no application period and no approval period. • The partial construction permit expires if the execution of the modification project has not been started within three years after it has been granted or if the execution has been interrupted for more than one year. Within the period of validity, the application may be extended by up to 1 year at a time. • If a partial building permit has been granted, the lower building supervisory authority must be notified of the start of construction at least one week before the start of construction work.
