Teaser	You must notify the lower nature conservation authority of any expansion or significant change to an animal enclosure.
Volltext	Before you start extending or significantly altering an animal enclosure, you must notify the project at least one month in advance. To do this, submit the necessary information to the lower nature conservation authority. The lower nature conservation authority can issue orders to ensure compliance with species and nature conservation in the course of the expansion or significant modification of the animal enclosure.
Erforderliche Unterlagen	• Notification of the extension or significant change • Site plan, if applicable
Voraussetzungen	
Kosten	
Verfahrensablauf	Notify the lower nature conservation authority at least one month in advance of any expansion or significant change to the animal enclosure. You can submit the notification by online form, e-mail or post. The lower nature conservation authority will check your information from the point of view of nature conservation and landscape management. If you do not meet the requirements for the expansion or significant modification of the animal enclosure, the
