Teaser	You must notify the relevant Chamber of Skilled Crafts of any new management of your craft business subject to licensing.
Volltext	<p>The Chamber of Skilled Crafts must be notified of any changes in the management of a craft business requiring a license. The management of a craft business must have the professional qualifications required to practice the craft requiring a license. This can be a master craftsman's certificate for the respective craft, but also an equivalent domestic or foreign professional qualification or an exemption permit or authorization to practice.</p> <p>Both the owners of a craft business and employed persons can be considered as management. In the latter case, the application for registration must be submitted together with a manager's declaration and supplementary documents.</p> <p>The tasks of the business manager include, among other things</p> <ul style="list-style-type: none"> <li>• to control, supervise and monitor the technical workflow and not to limit themselves to merely checking the work results,</li> <li>• directing employees and giving the necessary instructions,</li> <li>• to prevent and, if necessary, correct deficiencies in the execution of the work,</li> <li>• to ensure that there are no violations of legal</li> </ul>
