Teaser	If you apply for a preliminary decision on an installation requiring approval, the competent authority may issue this under certain conditions.
Volltext	If you apply for a preliminary decision, the competent authority will decide on individual approval requirements and the location of the installation. If the effects of the planned installation can be adequately assessed and there is a legitimate interest in issuing a preliminary decision, the competent authority should issue a preliminary decision.
Erforderliche Unterlagen	• Application for a preliminary decision on an installation requiring approval • Required drawings, plans, expert opinions • Explanations of the installation • Other documents (if necessary, ask the responsible authority)
Voraussetzungen	• The competent authority must be able to adequately assess the impact of the planned installation from the application you submit and the required documents. • Your application must demonstrate a legitimate interest in the granting of a preliminary decision.
