- The ICT Directive 2014/66/EU relevant for the transfer is implemented in all EU member states with the exception of Denmark and Ireland. It is therefore not possible to enter Denmark and Ireland with an ICT card.

- The procedure is usually conducted in German.
- All information provided to the Immigration Office should be correct and complete to the best of your knowledge and belief so that your application can be processed without major delays.
- Incorrect or incomplete information can slow down the procedure and be detrimental to the person concerned. In serious cases, incorrect or incomplete information that is not completed or corrected in good time vis-à-vis the immigration authority can result in the revocation of previously granted residence rights, a fine, a prison sentence of up to three years or expulsion from the federal territory.
- Due to the complexity of residence law, this description is for information purposes only and is not legally binding.
