Teaser	Have you acquired a professional qualification as a curative education nurse abroad? Then you can apply for recognition of this qualification in Germany under certain conditions.
Volltext	<p>The profession of curative education nurse is regulated in Germany. This means that you must provide proof of a certain qualification in order to be allowed to work in the profession. If you have a foreign certificate of training as a curative education nurse, you can work in this profession in your chosen federal state under certain conditions.</p> <p>To do this, you must submit an application with all the necessary documents to the relevant state authority. In the recognition procedure, the competent state authority compares your professional qualification from abroad with the professional qualification in the selected federal state. The procedure is called: equivalence assessment.</p> <p>After your application has been reviewed, you will receive feedback. If you lack the professional qualifications required for recognition, the notification will state the main differences. You can then take a compensatory measure.</p>
Erforderliche Unterlagen	• Application form

Modul	Sachverhalt
	<ul style="list-style-type: none"> • Curriculum vitae in tabular form • Proof of identity (identity card or passport) • Foreign training certificates • Proof of professional experience as a curative education nurse • Proof of other qualifications • Certificate that the profession may be practiced in the country of training • Information on applications for recognition that have already been submitted. Please indicate the authority to which you have submitted the application. <p>If your documents are not in German, you must submit German translations of your documents. The translations must be made by translators who are publicly appointed or authorized. You must submit the documents in written form. Certified copies of certificates must be submitted. The responsible office will inform you.</p>
Voraussetzungen	<ul style="list-style-type: none"> • Equivalence of your professional qualification • You must be authorized to practice the profession in the country in which you are training.
Kosten	Fees may be incurred. The amount depends on the cost of the recognition procedure.
Verfahrensablauf	<p>You can apply to the relevant state authority to have the equivalence of your training as a curative education nurse determined. You must submit all necessary documents in the form of copies to the competent authority. Some documents must be submitted as certified copies. The competent authority will inform you.</p> <p>The competent authority will then check: Is your professional qualification equivalent to the professional qualification in your federal state? For example, the content of the training and the duration of the training are important for the comparison. The competent authority will also take into account your professional experience, other certificates of competence and qualifications.</p>

Sachverhalt

The competent body may then check other requirements. If your professional qualification is equivalent and you meet all other requirements, your professional qualification will be recognized. You may then work as a curative education nurse in the federal state.

If the competent authority is unable to determine the equivalence of your training and the German training, you will receive a notification with an explanation of the main differences. In order to compensate for significant differences, you can take a compensation measure. The competent authority will inform you which compensation measure you can take.

If you successfully complete the compensatory measure, you will receive recognition.

You can take legal action against the decision of the competent authority within a certain period of time (e.g. lodge a complaint). The decision will then be reviewed. Details can be found in the information on legal remedies at the end of your decision. We recommend that you first speak to the competent authority before taking legal action against the decision.

Bearbeitungsdauer

3 Monat(e)

The responsible office will confirm receipt of your application within one month. If the competent authority requires further documents from you, you will be informed of this in a letter. Once you have submitted all the required documents, the authority will decide on the equivalence of your training and the German training within 3 months.

Frist

There is no deadline.
