Teaser		You can apply for an exemption from the permit requirement for the purchase and possession of ammunition.
Volltext		In principle, you require a permit for the purchase and possession of ammunition. However, there are specific exceptions to this rule. In addition, you have the option of applying for an exception in individual cases, provided there are special reasons and public safety and order concerns do not conflict with this. However, this is only possible for cases that are comparable to the specifically named exceptional cases.
